

# Winter 2019 Classes—Drum Collection

Music Together®  
ClefTone Studios

## Program Description

Classes are made up of a mixed-age group of 6 to 12 children and their parent(s) or caregiver.

Each week we explore the songs and chants featured in the semester’s song collection. A dozen musical experiences are included in each class—fun, playful, interactive ways to focus on tonal and rhythmic elements of music. Instruction is informal; children may or may not participate as they choose and do so according to their developmental level.

Each session consists of once-weekly classes, 45 minutes each, for ten weeks. Tuition is \$200 for one child, \$125 for one sibling, and \$75 for additional siblings. Siblings one year and younger attend for free. The cost includes a professionally-produced CD and digital download, a beautifully illustrated songbook, parent education materials, and access to online content and family activities.

***New families please add a one-time registration fee of \$10.***
